Mr. Badri Narayana S. is a Mechanical Engineering graduate from the Indian Institute of Technology, Madras, Lean Master, ASQ Certified Black Belt, and IPS Practitioner – I TRIZ, Certified EUM-I coach and a Fellow of Sumedhas. He while being an imaginator, is a lover of music, dance, sports, science fiction, reading and passionate about developing people and ideation/creativity.

He has been consulting over the last 23 years and brings in experiential expertise in areas of OD encompassing Change Management, Business and Operational Excellence, Lean Manufacturing, Six Sigma, New Product Development, Facility Design, and Coaching.

He engages at all levels in an organization, covering MSME and Large with a holistic perspective. He has extensive experience in developing diagnostic framework to assess companies and facilitating them to develop vision, followed through with Goal Alignment to Policy Deployment, A3's (Managing Goal Achievement), and achieving of goals through current best practices

Earlier in his career he has worked over 9 years in Sundaram Clayton Group, 5 years in Harita Grammer both TVS group companies in the automotive field and over 6 years in TTK Prestige in the consumer durable goods industry.
