Digital learning Partner

Wing Commander Joseph Paulson (Retd.) has been in the startup world of consulting, training, coaching and psychometrics since 2003. He has background in the Air Force for 2.5 decades as a fighter pilot having flown the air superiority fighter MiG29, leadership trainer and a member in IAF selection board specializing in pilot selection. He has over 15 years of consulting, coaching and training and psychometric certification experience in India and abroad.

As a master trainer in the design, delivery, evaluation and management of training, he has expertise in behavior and skills training both in small and large group formats, using class-room as well as outdoor experiential learning formats. He designs and delivers leadership as well as management development programs with ROI mapping. He was a master trainer for leadership development programs from www.BlessingWhite.com USA. He is an experienced NLP Master Practitioner and trainer. He holds a Guinness World Record in Fire-walking: he is a certified Fire-walk/ Glass-walk instructor from www.sundoor.com USA. As an Executive Coach, he offers leadership and business coaching for leaders, with expertise in individual and team coaching.

Jo took a pre-mature retirement from the Air Force holding the rank of Wing Commander. He holds multiple post graduate qualifications including MSc, MS Counseling, MBA, and Diploma in Training and Development. Holding the unique Level A/B certificate from British Psychological Society, he is one of the few delegated assessors authorized to deliver psychometric certification training in India from publishers from UK. He is an authorized user of more than 50 psychometric tools from 5 different global providers used in hiring, training, coaching and talent development. He is certified in range of tools including MAPP, 15FQ+, JTI, MBTI and Hogan tools used for hiring, personal development, coaching and career guidance. He has designed and delivered career counselor certifications based on the best practices across the globe.
